**** CHAMPIONSHIP FORMAT ****

- A. Registration will begin @ **4:30 AM** Saturday morning. Contestants are allowed to register after this time but tournament will begin promptly at safe light as determined by tournament director. So please plan your drive time and arrival accordingly!
- B. Tournament time will be from safe light as determined by tournament director until **3:00 PM**. It is each contestant's responsibility to make sure they are in position to start tournament prior to safe light. **Tournament start time will not be delayed unless for safety reasons as determined by tournament director.**
- C. Trailering will not be allowed except for safety reasons as determined by tournament director. Any boat ramp may be used for launching purposes, but all boats must pass through the official morning checkpoint @ registration prior to fishing.
- D. Your start position for the **CHAMPIONSHIP** is determined by your final point standings. This info can be found on the **C.A.B.A.** web site. For example, **1st place** finisher will leave first, and then the **2nd place** finishers and so on until all participants have been released.
- E. Awards, special presentations and various other activities will take place during and following the formal weigh in proceedings.
- F. The entry fee for each adult contestant is **\$100.00** (Youth division FREE). **\$5.00** of each entry will go to big bass. **No pre-registrations are necessary but they will be accepted.** All entry fees will be collected during registration. Some participants may also need to renew their membership during registration. Cash is preferred but not required. If you have questions of any kind do not hesitate to call.

Making the final decision for the **CHAMPIONSHIP** site is always a difficult one. When all aspects of choosing a site are considered, including but not limited to; overall expenses, equal driving distance for as many contestants as possible, fish catching ability for as many contestants as possible, additional tournament pressure the day of and prior to the event, pleasure boat traffic at the time of the event, lake access, water level etc., the lake choices narrow very quickly. Whatever decision that is made, there will be some who agree and there will always be some who don't! I learned a long time ago that pleasing everyone is never possible. So I just try to do the best I can for **ALL** participants and hope everyone will at least try to understand my reasons for choosing a certain lake. With this said and with all factors considered and reconsider, I feel that Tawakoni is the best overall choice for **ALL** participants for this years **INDIVIDUAL CHAMPIONSHIP**. **Due to the low number of qualifiers, our weekly tournament format will be used for this event.**

All of us at **C.A.B.A.** deeply appreciate your participation in this ministry outreach. **C.A.B.A.** could not accomplish what the **Lord** has called us to do **without you!** It is my sincere hope; **ALL** participants who qualify will participate and help make this event the best it can be for all involved! I'm saddened that it hasn't been better received! So, until Saturday, April 10, do your homework, reread the **C.A.B.A.** rules, call me if you have any questions then I will see you at the **2010 C.A.B.A. INDIVIDUAL CHAMPIONSHIP**. May the **Lord of Glory** richly bless you and yours.
